

Duo Impromptu Introduction

CDC 2024

Thank you for judging Duo Impromptu! Keep in mind this is a just for fun, non-qualifying event, so please be sure to read the **Rules** and go over the **Ballot** before you judge the first student. A few highlights:

1. Three (3) minutes of preparation and three (3) minutes of speaking time.
2. Judges, be prepared to “judge” preparation time. Preparation time utilization by the speakers is included in the ballot criterion. So, that means **students should prep “out loud” so you can see how they’re working together to create their speech.**
3. Students must state their chosen scenario prompt at the very beginning of their speech time. A one rank penalty is required for failure to do so.
4. Students must adhere to the scenario prompt. A one rank penalty is required for failure to do so.
